

## **Catalog Part Drawings Now Available Online**

---

Cosmo Corporation is pleased to announce that 3D part drawings of Cosmo standard coil bobbins, knobs and components are now online in PDF format at [www.cosmocorp.com](http://www.cosmocorp.com). All drawings are available in both English and Chinese, and inch and millimeter dimension units. Search for standard parts by type, style, feature or part number, and then download detailed drawings to confirm part suitability for your application. For help with part selection or to request part pricing or samples, please contact Cosmo Customer service at 1-440-498-7500 or email [csus@cosmocorp.com](mailto:csus@cosmocorp.com).
